**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing to inform you that the cannabilization of BIG TELECOM has forced me to:

-end my consumer and financial support of COMCAST cable service.

-not renew my service with yet another 2yr. agreement that becomes an exhaustive battle...fighting month after month over bill charges, errors, increases in phone, cable, and internet that, by contract agreements end, had escalated my monthly bill to approx. \$192.00

i had enough of COMCAST. i returned my equipment paid the final bill and ended all services with COMCAST.

i chose a competitive broadband provider 1 year later for phone and internet services. i found the services, pricing and support of sonic.net to be very much in line with how i wanted to be treated as a valued customer and whole heartedly support this company and broadband competition.

we need and must insist on broadband competition so that the choice of providers is not reduced to just 2 or 3 companies dictating the choices that belong to the consumer...

thank you for your support.

respectfully-
